### TASTING NOTES

An aromatic fireworks show of potpourri, crushed violet, Sichuan spice, rooibos tea, blueberries and loamy minerals, the Blue Mountain Cabernet Franc puts the cool-climate of the foothills on display. The wine is sincere and savory on the palate, with red fruits, tamarind, and untoasted tobacco. With lots of shape and length, very fine grained tannins taper to a lengthy finish, while notions of peppercorns, cumin seed, and graphite linger on the palate. A spice bomb.

### VINIFICATION

Destemmed 100% and fermented in stainless tanks, with pumpovers, delestage, and occasional pneumatic for gentle extract.

### AGING

Aged for 18 months in new and neutral barrels, and puncheons.
