

CINSAULT

WALLA WALLA VALLEY

2025

Alcohol 12.5%

pH 3.95

TA 4.1 g/L

Residual Sugar 0.0 g/L

TASTING NOTES

Impossibly light, remarkably different, and fragrantly fun. Intense aromas of strawberry preserves and other candied red fruits, with a palate showing luscious raspberries, hibiscus flower, and a hint of tobacco. Light on it's feet, effortlessly soft tannins, and bright throughout, this wine shows best slightly chilled..

VINIFICATION

40% of the blend went through carbonic maceration and subsequent native fermentation. This portion was aged in neutral barrels and stainless drums. The remaining 60% was fermented in stainless steel tanks and aged in new and neutral french oak barrels.

AGING

Aged for 5 months in new and neutral oak barrels and puncheons..

WINEMAKER

Brian Rudin

81% CINSAULT
10% GRENACHE
