

GRENACHE ROSÉ

BLUE MOUNTAIN VINEYARD 2025

Alcohol 13.5%

pH 3.3

TA 6.2g/L

Residual Sugar 0.0 g/L

TASTING NOTES

As usual, we worry less about color on this rosé and more about crisp tanginess. This portion of Blue Mountain Vineyard offers less ripening for the Grenache than any other spot and that makes it ideal for our purpose - we want to retain acidity.

Grenache's fragrant aromas of strawberries, white raspberries, and spice provide ideal material for rosés; our goal throughout has been to preserve the wine's freshness and lift. Fermentation and ageing in concrete help focus mineral intensity and layered texture.

VINIFICATION

Foot tread pre-pressing, for color extraction, then fermented and aged 100% in concrete tulip. No malolactic fermentation.

AGING

Aged for 5 months in concrete tulip.

WINEMAKER

Brian Rudin

83% GRENACHE

16% CARIGNAN

1% CINSAULT
