WINE ENTHUSIAST[®]

93 Points

93 Echolands 2023 Rocksy Music Grenache (Walla Walla Valley). Bramberries and burlap mixed with sweet and creamy gardenias form an aromatic package that do The Rocks proud. A tangy pie cherry flavor is joined by lesser amounts of sassafras and warm phyllo dough pastry. The acidity is Bryan Ferry level, with enough tang to make you want to do the strand. Pour this wine to make new friends. Editor's Choice. —M.A.
